Unify Ready

Technology connectivity certification

The connectivity of the SIP Trunking Service Provider

htp GmbH
Business FleX SIP-Trunk smart

has been certified at the SIP Trunking Interface of OSB V10, and OpenScape SBC with OpenScape 4000 and OpenScape Voice in accordance with the respective test report.

htp GMBH is now entitled to label their SIP Trunking Service with the Unify Ready emblem.

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the SIP Trunking interface. The certificate and test report are not valid as a statement of end-to-end functionality.**
